The comprehensive MIS LAUDEA at PSGCAS was developed by PSG Software Technologies and implemented in the year 2018. LAUDEA is tailor made to suit the needs of Management, Faculty, Students, Controller of Examination, Academic Functions, Administrative and Support departments. Admission, student information system and alumni are also managed through the integrated MIS LAUDEA. Students can enter and update their profile from time to time, view their attendance, Continuous assessment and Comprehensive Examination marks, class exam time table, exam seat allocation placement details, submit feedback on various aspects, obtain bonafide and other certificates, through a web based or mobile based App. The MIS also facilitates the faculty members to maintain their profile, view class timetable and enter class attendance. Apart from the maintenance of all curricular inputs, MIS integrates all Cocurricular and Extracurricular events, MoUs, Sponsored research, consultancy projects and all the related information. Hence, quarterly reports for the IQAC are generated with ease. A central fees collection system enables setting up different fees and publishing it to target students along with timely reminders. Key Modules of LAUDEA: Admissions, Students, Faculty, Curriculum, Placements, Events, Exams Fees, Hostels, Alumni , Collaboration, Assets, Grievance, Messages, Feedback etc

| <b>1.4 – Feedback System</b>  |   |     |
| 1.4.1 – Whether structured feedback received from all the stakeholders. |   |     |

|           |     |
|-----------|-----|
| Students  | Yes |
| Teachers  | Yes |
| Employers | Yes |
| Alumni    | Yes |
| Parents   | No  |

**1.4.2 – How the feedback obtained is being analyzed and utilized for overall development of the institution? (maximum 500 words)**

**Feedback Obtained**

The College has been following the practice of each tutor getting student opinion questionnaires filled up by the students for each subject/teacher at the end of the semester. The teachers themselves analyze the opinions and identify aspects for improvement. The IQAC received the feedback from the Students, Teachers, Alumni and Employers/Recruiters through the LAUDEA Mobile App. The sample feedback forms are displayed in [https://www.psgcas.ac.in/iqac\\_feedback\\_forms.html](https://www.psgcas.ac.in/iqac_feedback_forms.html) These feed backs were analyzed with the help of LAUDEA MIS and the report has been prepared for further actions/improvements.

### 2.3.2 – Students mentoring system available in the institution? Give details. (maximum 500 words)

There is a well established Tutor System in the College. One Tutor is assigned for each class until the class graduates out from the College. The tutors have a better understanding of the students and constantly monitor their academic performance and disciplinary issues. As the tutors keep track of the progress of the students, they offer suggestions and counseling and other possible help for the students to overcome their personal and academic problems. For the purpose of maintaining the student and their parents' details, the tutor maintains the tutorial file. The tutor updates the student's details with regard to marks in each subject, participation in extracurricular activities, status of the attendance etc., in the tutorial file. In most of the departments, the tutor and the class students have a common Whats App group and all the necessary informations are shared then and there. Also, the parents regularly contact tutors to know about their child's progress.

#### 6.4 – Financial Management and Resource Mobilization

6.4.1 – Institution conducts internal and external financial audits regularly (with in 100 words each)

The financial forecast for every academic year is sought before the end of the previous financial year. Activities of the next Academic Year are taken under consideration while Budget Planning. The main source of fund is raised through Tuition fees and special fees. Additionally funds are also mobilized through grants received from various government and non-government funding agencies. The Institution also plans and identifies various other sources for mobilizing funds for developmental activities. The finance committee ensures proper co-ordination between the various activities of the college and the expenditure incurred during the year. PSG Management has a separate Internal Audit Department with experienced and qualified finance executives headed by qualified Chartered Accountant. External audit is conducted by auditors representing the Directorate of Collegiate Education and Government of Tamilnadu. ♣ A perfect and effective internal control system is placed to monitor the financial transactions. ♣ Financial transactions are audited on concurrent basis. ♣ Internal audit is conducted periodically to ensure that financial transactions are approved by concerned authorities. ♣ Effective measures are taken to improvise the existing system based on audit

observation. It is also ensured that proper books of accounts are maintained. ♣ Queries and concerns related to financial transactions are settled with the approval of Management. ♣ The Management has a special audit committee to analyze the financial statements with aid of budgeting tools. ♣ Internal Control System is periodically monitored by External Auditors and the observations received are implemented to strengthen the system. ♣ Internal and External Audit control is placed with strong suit to screen the Assets of the Institution.

6.5.2 – Activities and support from the Parent – Teacher Association (at least three)

Though the College does not have a registered parent teacher association as such, there are various instances in which the College reaches out to the parents as follows: i. Interacting with the parents during the admission counseling and students' school certificate verification. An undertaking is given by the parents after reading the details in the Parent and Student Declaration form. ii. On the first day of the Students' Induction Programme, the parents are elaborated about the academic aspects and functions of PSGCAS by the Principal. Later the class tutors take the parents and students to the respective departments to show around the classrooms, laboratories and orient them to the curriculum as well as code of conduct. iii. The Tutorial File maintained by the tutors has details of the parents and the teachers are in touch with the parents till the students complete the programme. iv. The parents are called by the tutors in the event of student's long absence or any other disciplinary issues and immediate corrective measures/remedial actions are taken/ followed. v. Some departments issue the mark sheets directly to the parents during parent – teacher meeting. vi. The parent can meet the teachers, HoD, Principal and Secretary on any working day. vii. Parents are also the members of the IQAC under the stakeholders category viii. Feedback is received from the parents on curriculum and related aspects.

| <p>Best Practice – 1</p> <p>1. Title of the practice Co-existence in Existence through Green Initiatives</p> <p>2. Objectives of the practice Committed to the values of green thinking and social responsibility, PSGCAS has taken significant initiatives to promote sustainable and eco-friendly practices in the campus by developing viable solutions to environmental, social and economic needs of mankind. With efficient energy and water management systems, biodiversity and waste disposal practices, the college aims at I. Optimizing green energy usage (Solar, Wind and Biogas) II. Implementing efficient liquid and solid waste management process III. Promoting water conservation and maintain biodiversity</p> <p>3. The Context Committed to the 12th Goal of SDG of ensuring Responsible Consumption and Production Practices, PSGCAS values and undertakes all productive practices for responsible consumption and production by ♣ Increasing resource efficiency, ♣ Promoting sustainable lifestyles through transition towards low-carbon and green economies ♣ Pursuing the values of green thinking and social responsibility</p> <p>Contributing to other Sustainable Development Goals By striving to achieve 12th SDG of United Nations (UN), PSGCAS also contributes to achieving</p> |            |            |    |

other sustainable goals of UN 4. The Practice With the idea of a mutual coexistence in the natural ecosystem, PSGCAS follows a holistic practice towards implementing the concept of sustainability by following the principles of advocacy, awareness and practice. Comprehensively focusing on all the areas of environmental management, the practices of PSGCAS can be broadly classified under the following categories: I. To achieve 100 green energy usage ♣ Green buildings in the campus ♣ 24 Hours continuous ambient air quality monitoring station of Government of Tamil Nadu, is stationed in the PSGCAS campus to monitor the air quality of this locality. The station records key parameters like PM10, PM2.5, SO2, NO2, NH3, O3, CO, Benzene, Toluene, and Xylene every 15 minutes. ♣ The campus maintains five battery powered vehicles apart from the battery operated floor cleaning machines. ♣ The college has banned the usage of plastic in order to sustain and elevate the green environment in the campus. ♣ The college has restricted entry of automobiles into the campus and provides a separate parking space for students and faculty members at the entrance itself. ♣ The institution had installed power efficient equipment (Energy saving fans and Bulbs) and sensor based energy conservation devices to reduce power consumption ♣ Optimal use of solar energy by installation of solar powered panels in the college (200kW) which is used for solar powered electricity generation, water heating (capacity 63250 liters/day) and steam cooking (290Kg steam/day) in kitchens. ♣ Judicious use of wind energy and biogas: On an average 64 of the energy requirement is fulfilled by the wind energy, generated through the wind mills set up by the PSG Trust ♣ With the use of Bio-gas plant, eight tons of Biogas is generated from food and vegetable wastes II. Efficient liquid and solid waste management process ♣ Well managed sewage treatment plant with a capacity of 5.5 lakh liters per day ♣ Kitchen waste food waste generated is used for biogas production ♣ Recyclable solid wastes and e- wastes sold to authorize vendors. III. Effectively conserve water and maintain biodiversity ♣ Rainwater harvesting and charging pits set up at eight different places in the campus ensures efficient rainwater harvesting ♣ Herbal garden and green belt enriches the quality of air, and health of the stakeholders at campus. 5. Evidence of Success Rewards and Recognitions ♣ Ranked 2nd amongst the cleanest Higher Educational Institutions at National level Swachh Campus Ranking 2018, by Ministry of Human Resource Development, Government of India. ♣ Ranked 3rd amongst the cleanest Higher Educational Institutions at National level Swachh Campus Ranking 2019, by Ministry of Human Resource Development, Government of India. ♣ Green Institutional Mentor Award - Mahatma Gandhi National Council of Rural Education (MGNCRE), Ministry of Human Resource Development in Government of India recognition as one of the Exemplary Performers in campus water and sanitation management. 6. Problems encountered and resources required ♣ Advocating smart transportation ♣ Continuous dependence on nonconventional energy ♣ Conversion of existing buildings to green buildings ♣ Coordinating with NGO's and environmental groups for sustainable projects ♣ Storage of excess non conventional energy Resources required ♣ Support from Ministry of Environment and Energy ♣ Support from UN to achieve SGD targets by 2030 Best Practice -2 1. Title of the practice Harnessing Quality Ecosystem of PSGCAS through PSG Consortium 2. Objectives of the practice PSGCAS always believes in collaborative sharing and influencing stakeholders in the PSG consortium to maintain a dynamic institutional climate for sustainable development. The objectives of the collaborative working are 1. Create a culture of knowledge sharing 2.

Collaborative resource planning for effective utilization of resources 3. Improve operational efficiency through mutual support and assistance 4. Increase stakeholder benefits. 3. The Context To accomplish the noble thoughts of the founder Shri P.S. Govindaswamy Naidu “Let there be charity, so that others can share my family’s prosperity” PSG Sons’ Charities Trust was formed in 1926, with a mission to offer quality world class education to all. For over nine decades now, with over 30 Institutions in different domains like Education, Technology, Research, Healthcare, Industry, Social Service etc, all the PSG institutions offer a nurturing and supportive environment for collaborative working to ensure a wholesome development of its stakeholders. In the context of better utilization and sharing of expert knowledge and resources among PSG institutions, PSGCAS collaborates with other institutions in the PSG group in all possible areas of growth and development for achieving and translating greater impacts. 4. The Practice Knowledge sharing: The effective sharing of physical and intellectual resources among the PSG Institutions benefits PSGCAS Empowering Academic leadership To transform vision to outcomes and plan the future strategic initiatives for progressive development, the Strategic Initiative Forum organizes meetings for all the Administrators and Heads of the PSG institutions. To empower senior faculty members and academic administrators to prepare for leadership roles in a higher institution, Certificate in Managing Higher Education Teams (CIMHET) a one year program is organized by PSG CARE. Senior faculties from PSGCAS attend the program along with faculties from other PSG institutions. Research Support Research advisor and Academic Advisor of PSG institutions share their expertise for the benefit of PSGCAS. Promoting Faculty Excellence PSG Center for Academic Research and Excellence (PSG CARE) founded in October 2015 operates with a mission of promoting teaching excellence in all the institutions under the Trust. PSGCAS in association with PSGCARE regularly organizes faculty development programs on a wide range of contemporary topics including • Outcome-Based Education • Design Thinking, • Impact of Computer Assisted Intelligent Tutoring System • Online Moodle Administration Training • E-waste Management • Data Analytics etc. Technology PSG Software Technologies have designed an exclusive software LAUDEA for the student and faculty information system, admission, online attendance, exam and event management system etc for PSGCAS. Hospital PSG Hospital runs a Health Centre in PSGCAS campus, with full-time nursing assistant and visiting doctor for the benefit of students of PSGCAS. Energy Sharing Efficient energy and water management system at PSGCAS is achieved through the wind mills established by the PSG Trust, and the common sharing of the water resources among the Institutions. 5. Evidence of Success PSGCAS shares its resources and expertise to the consortium in the following ways Supporting the needy: Students from PSG Manavarillam and PSGG Kanya Gurukulam School are given preference in PSGCAS admissions. PSGCAS – As Mentor As a potential “mentor Institution”, PSGCAS has mentored PSG College of Nursing and PSG Institute of Technology and Applied Research, through UGC-PARAMARSH scheme to help them acquire NAAC accreditation. Quality product sharing The Food Processing Centre of PSGCAS supplies quality food products to other PSG institutions. Problems encountered and resources required: ♣ Quicker updation in the process ♣ Time constraint in collaborative projects ♣ Inclusion of diverse perspectives ♣ Allocation of resources ♣ Expanding the operative framework
