### **32. Health services: (eg. Yoga, Health Camp, Diet Counselling, Screening & etc.,)**

#### ***Yoga Centre***

The main objective of the yoga centre is to train the learners to have a better physical, psychological and spiritual health. Classes are conducted in the mornings & evenings by outsourcing experts. All the basic requirements are met here. The program is oriented towards integral development of learners. The programme input involves dynamic exercises, compulsory Surya Namaskars, Basic Asanas, Pranayanas, Yogic relaxation, Kriya (cleansing methods) and memory training. It has helped 2100 students to gain good concentration, to overcome cynositis, asthma related complaints and controlling anger. The College has made yoga practice as a compulsory component under part IV of **Value Education** to infuse a sense of balance, internal harmony and a more positive outlook to life for the students.

#### ***Diet Clinic***

The '***Diet Clinic***' since its inception in 2007 caters to the health needs of the students and staff of various Departments in the campus. The clinic helps to overcome the nutritional problems by assessing the nutritional status, counseling for overweight and under weight, anemia and other deficiency disorders. The clinic provides counseling and guidance to the family members of the faculties. 53 members have benefited as witnessed through a log register of the clinic this year.

#### ***Gym***

The College also has a gym to cater to the health needs of the students and provides relaxation.

- **Free Medical checkup** was organized for the **880** aided and **1267** unaided I year under graduate and post graduate students of the College from **February 21 to 26, 2012** by Doctors from PSG Institute of Medical Science and Research.

The Camp was organized in association with Global Ortho and Trauma Center, Coimbatore, headed by the expert **Dr S Karthik** M.B.B.S., D.Ortho., MRCS ( Edin)., the Chief Consultant Orthopedic Surgeon and his medical crew. In the camp clinical nutrition students and staff assessed the body fat percentage, BMR, BMI, type of obesity using Omran's Body Fat Monitor, along with body circumferences. Before commencing the screening camp, **Dr Karthik** delivered an informative and mind boggling power point presentation with sensible and colourful pictures. He narrated how one can safeguard the bone health and prevent complications due to the same. Followed his interesting talk, the screening camp was commenced. Bone mass density and blood pressure were assessed for all the participants and simultaneously consultation and counseling were given by the chief and his team free of cost. Nutrition counseling was given regarding weight reduction and to include the dietary sources for improving the bone health. The Physiotherapist from the same center demonstrated the indispensable exercises for various bone related disorders. Surprisingly, except a few, majority of the participants were found to have BMD levels corresponding to either osteopenic or osteoporosis state for which they required intensive dietary, exercise and behavioral modifications.
- The Department of Clinical Nutrition & Dietetics organized a symposium on "**Public Health**" on 31.1.12. Morning session was enlightened by **Dr.Padmini Balagopal**, Clinical Nutritionist, certified Diabetes educator and co – founder MILC Centre, Chennai on "**Preventive Health**" and motivated our students with her talk on career opportunities in public health nutrition. In the afternoon session **Pre Diabetes screening camp** was conducted for our College students. Around 150 students attended the camp and were screened for post prandial blood glucose level. A parallel session on demonstration of "**Auro Nutrisoft**" – **Software for Nutrition Research** for our students was held.
